

product name

B11 5W

Product Specifications

- ▶ Retrofit 40W equivalent
- ▶ Suitable for damp locations
- ▶ Long life, low light loss, low maintenance
- ▶ High luminous, energy saving over 80% compared with conventional lamp
- ▶ Easy installation
- ▶ Mercury free
- ▶ Reduce Power Consumption
- ▶ Reduce CO₂
- ▶ Reduce Maintenance
- ▶ No Flicker, no UV
- ▶ Residential Use
- ▶ Business Use
- ▶ Industrial Use
- ▶ Dimmable

Light & Electrical Specifications

Input power	5W
Input Voltage	AC 120V
Frequency	50 / 60 Hz
Luminous Flux	300lm
CRI	>80
CCT	2700K - 3000K - 4000K
Power Factor	>0.8
Optics	220°
Base Option	E 12 Candelabra
Body	Aluminum
Cover	Plastic
Rated Lifetime	25.000 hours
Lumen Maintenance	70% end of nominal lifetime

Mechanical Specifications

Dimensions	1.5" x 4.92"
Operating Temperature	-4° F to 122° F
